

## **Special Session on Communication Engineering and Information Technology for Smart grids**

The main objective of the session is to present, and provide an open forum for discussing, the current, latest advances, developments and applications in communication engineering and information technology and bring researcher and experts to discuss and share their studies, results, conclusion and experience. Topics of interest include, but are not limited to:

### **Topics of interest include, but are not limited to:**

- Telecommunication Engineering
- Communication Network Analysis in Smart Grid
- Education and information technology
- Health care information systems and technologies
- Information privacy and digital security
- Mathematical modelling and control system
- Neural networks and fuzzy logic
- Intelligent/Adaptive Systems
- Artificial Intelligence
- Genetic algorithms and evolutionary computing
- Fault detection and isolation
- E- Learning

Papers for the special session should be submitted as PDF attachment via :

**Web:** [https://easychair.org/conferences/?conf= icsresa19](https://easychair.org/conferences/?conf=icsresa19)

Papers should be prepared following the template format of the conference.

### **Organized by:**

Associate Pr. **Kenz A. Bozed**, Benghazi University, Benghazi, Email: [kenz.bozed@uob.edu.ly](mailto:kenz.bozed@uob.edu.ly)

Pr. **YoucefSoufi**, University of Tébessa, Tébessa, Algeria ,Email: [y\\_soufi@yahoo.fr](mailto:y_soufi@yahoo.fr)

Pr. **Amer R. Zerek**, ZawiaUniversity ,Libya, Email: [anas\\_az94@yahoo.co.uk](mailto:anas_az94@yahoo.co.uk)& [a.zerek@zu.edu.ly](mailto:a.zerek@zu.edu.ly)

### **Important Dates:**

**Submission Deadline: February 5, 2022**

**Authors Notification: March 8, 2022**

**Final Paper: March 18, 2022**
