

# 5<sup>th</sup> International Conference on Green Energy and Environmental Engineering

28 - 30 April 2018 - Sousse, Tunisia

**GEEE-2018**

## Special Session on Communication Engineering and Information Technology

The main objective of the session is to present, and provide an open forum for discussing, the current, latest advances, developments and applications in communication engineering and information technology and bring researcher and experts to discuss and share their studies, results, conclusion and experience. Topics of interest include, but are not limited to:

- Electronic communication
- Wireless communication
- Optical communication
- Communication Network Analysis in Smart Grid
- Education and information technology
- Health care information systems and technologies
- Information privacy and digital security
- Mathematical modelling and control system
- Genetic algorithms and evolutionary computing
- Fault detection and isolation
- Signal and Image Processing

Papers for the special session should be submitted as PDF attachment via email to one of the session organizers.

### Organized by

Assistant Prof. **Kenz A. Bozed**, Benghazi University, Benghazi, Libya

[kenz.bozed@uob.edu.ly](mailto:kenz.bozed@uob.edu.ly)

Prof. **Amer R. Zerek**, Zawia University ,Libya

[anas\\_az94@yahoo.co.uk](mailto:anas_az94@yahoo.co.uk)

Prof. **Youcef Soufi**, University of Tébessa, Tébessa, Algeria

[y\\_soufi@yahoo.fr](mailto:y_soufi@yahoo.fr)

### Publication

International Journal of Intelligent Engineering Informatics (ACM & DBLP )

International Journal of Scientific Research & Engineering Technology (Indexed )

International Journal of Computer Science, Communication & Information Technology (Indexed)

## IMPORTANT DATES

<b>Submission Deadline</b>	<b>Authors Notification</b>	<b>Final Manuscript due</b>
<b>March 15, 2018</b>	<b>March 30, 2018</b>	<b>April 05, 2018</b>
